WASTECON 2017

January 18, 2017

Dear South Carolina SWANA Palmetto Chapter Members,

The SWANA South Carolina Palmetto Chapter Board would like to sponsor one professional in the solid waste industry to attend the 2017 ISWA World Congress/WASTECON Conference to be held September 25-27, 2017 at The Baltimore Convention Center in Baltimore, MD.

One professional will receive a voucher for one conference registration and reimbursement assistance with lodging during the conference. This is a great opportunity to network with other solid waste professionals. To find out more about the 2017 ISWA World Congress/WASTECON Conference, please go to the WASTECON website: [WASTECON.org/Baltimore](http://WASTECON.org/Baltimore).

If you are a professional in the solid waste industry working in South Carolina and you are interested in attending WASTECON, we want to hear from you. For those interested in this great opportunity, please email a brief, one page letter to [info@scswana.org](mailto:info@scswana.org) expressing your interest by **February 10, 2017**. You do not need to be a SWANA Member to apply, but must become a member if chosen for sponsorship. The letter should include the following information:

- Your SWANA member #.
- Who is your current employer.
- What is your current position and career path in the solid waste industry.
- How long you have been in the solid waste industry.
- Have you ever attended a WASTECON conference.
- Why you are interested.
- Why you feel you are a good candidate for sponsorship.
- What you hope to gain from attending.
- A letter from your direct supervisor approving your attendance to WASTECON.

The recipient will be notified by **March 1, 2017** and awarded contingent on SWANA membership verification. Reimbursement for the lodging will be presented to the recipient on the last day of the conference if a CEU form indicating attendance at 75% of the conference sessions.

We look forward to your responses and having you join us at WASTECON. If you have any questions or need any additional information please email us at [info@scswana.org](mailto:info@scswana.org)

Best regards,
